

TRI-CLUB PICNIC DAY

Sunday 10 October 2010

**Visit to the B24 Liberator Restoration,
Corner Princes Highway & Farm Road, Werribee**

The TRI-Club Picnic is an annual event which provides the opportunity for Veteran, Vintage and Classic car enthusiasts to spend a very pleasant day together.

This year's event will be organised by the Veteran Car Club of Australia (Vic) and the visit to the B24 Liberator restoration project promises to be a very interesting experience for all participants.

The devoted group at B24 Liberator Australia are well advanced with their restoration of the only remaining Liberator in the Southern Hemisphere using components which have been sourced from many parts of the world. This aircraft is of great historical significance as B24 Liberators long range bombers served in the South West Pacific area during World War 11.

Our hosts from B24 Liberator Australia will provide conducted tours in groups of 10 people to ensure that we all get the chance to have a close inspection.

Starting from the RSL in `Mary Street Spotswood (close to the Westgate Freeway (Melways Ref 41 J12) at 10:30am, we will travel directly to the B24 Restoration Hangar which is located on the corner of Princes Highway and Farm Road, Werribee (Melways Ref 205 F10).

**\$5:00 per person admittance charge, tea and coffee \$3:00
Please bring your own food etc for lunch.**

This is a Red Plate event which should attract a most impressive turn-out of Veteran, Vintage and Classic vehicles.
